## 6

6th rib cartilage 444

## A

AAAASF, *see* American Association for the Accreditation of Ambulatory Surgical Facilities

AAAHC, *see* Accreditation Association for Ambulatory Health Care

Acellular dermal graft, placement 312

Acne 233

Acute nasolabial angle, as minor deformity 264, 458

Acute nasolabial angle 178, 369

Adamson, Peter A. **116, 171, 300**

Adhesive allergy **86**

Aged nose 317

Alar and marginal incisions 372

Alar base excisions **29, 271**

Alar base reduction 173, 299

Alar base resection 95

Alar base width, increased 251

Alar base width 114

Alar batten grafts **311**

– bilateral 217

– carving 184

– left **218, 222**

– placement of **223**

– right 188

Alar battens 193

Alar cartilage, over-resected **167, 214**

Alar columellar relationship 482

Alar flaring 66, 140

Alar margin, pockets along 316

Alar notching 377, 446

Alar retraction 145, 153

– as minor deformity 211, 289

– improvement of 146

– right 304, 412, 466

Alar rim contour grafts 385

Alar rim deformities **89**

Alar rim grafts 103, 115, 148, 231, 279

– as minor deformity 199

– bilateral 218, 236, 244, 342

– floating 363

– left 398

– placement of 316

– pocket for **46, 343**

– technique **45**

Alar spanning suture 271, 311

Alar strut grafts 169

– bilateral 398

– creation of 169

– from conchal cartilage **170**

– left 173

– right 270

– with lower lateral cartilage repositioning 151

Alar wedge resections 236, 279

Alar-spanning suture 367

AlloDerm, onlay graft 481

AlloDerm 94, 311

Allograft costal cartilage 449

Alloplastic material 151

Alotomies 461

Ambivalence 6

American Association for the Accreditation of Ambulatory Surgical Facilities (AAAASF) 10

Amorphous tip, as major deformity 251

Amorphous tip 215, 237, 264, 352, 458

Anatomic diagrams 7

Anatomic nasal features, rhinoplasty patient characteristics by **74**  
Anesthesiologist **13**

Anterior nasal spine reduction 26

Anterior septal angle, as minor deformity 207

Anterior septal angle 88

Anterior septal reconstruction (ASR) 380, 440–441

Antibiotic ointment 143

Antibiotic solution 248

Aquaplast cast 180, 307

Aquaplast splint 363, 385

Articulated rim graft placement 156

ASR, *see* Anterior septal reconstruction

Asymmetric alar insertions 301

Asymmetric dome, as minor deformity 412

Asymmetric dome 201

Asymmetric dorsum 100

Asymmetric hump 162, 364

Asymmetric lower lateral cartilage 398

Asymmetric medial crura **161**

Asymmetric nostrils 162

Asymmetric tip

– as major deformity 158, 162, 167, 171, 174, 178, 182, 186, 190, 194

– as minor deformity 92, 203, 211, 255, 300, 356, 373, 390, 438, 466, 474, 482

– cartilages 176

– lobule 304

Asymmetry of cartilages 434

Auricular cartilage graft 466

Auricular cartilage harvest concha cymba and cavum 197

Autobatten 258

Autogenous grafts 77

Autologous quadrangular cartilage 372

Autologous rib implant 405

Autologous septal cartilage 449

Autospreader flaps 363

Autospreader grafts 346

## B

Bacitracin 307, 415

Base view 5

Batten graft

– alar 184, 217, 222, 223, 311

– bilateral 477

– bilateral extended 205, 206

– bilateral lateral crural 45

– columella 393

– lateral crural **44**

– left lateral crural 423

– removal of 480

– suturing 45

BDLs, *see* Brow-dome lines

Becker, Daniel G. **328, 420**

Before and after photos of rhinoplasty patient **70**

Beveled cap graft, placement of 393

Beveled shield graft, placement of 393

Beveled tip graft **33, 223**

Bidirectional Fomon rasp 339

Bifid dome, divergent 224

Bifid tip, as minor deformity 92, 268, 416

Bifid tip 93, 268

Bilateral ala base 258

Bilateral alar and marginal incisions 372

Bilateral alar base reduction 111, 115, 267

Bilateral alar batten grafts 217

Bilateral alar retraction 211

Bilateral alar rim grafts, view of **236**

Bilateral alar rim grafts 218, 236, 244, 342

Bilateral alar scarring 390

Bilateral alar sill excision 143

Bilateral alar strut graft 398

Bilateral, and depressed nasojugal groove 140

Bilateral batten grafts 477

Bilateral cephalic trim, of lateral crura 118, 231

Bilateral cephalic trim 263, 307, 335, 415

Bilateral costal cartilage spreader grafts 297

Bilateral crural strut grafts 297

Bilateral deep temporal fascia harvest 217

Bilateral dome-binding sutures 307

Bilateral excess alar flare 127

Bilateral extended batten grafts 205, 206

Bilateral extended spreader grafts 130, 143, 210, 248, 343

Bilateral fading abbreviated medial osteotomies 415

Bilateral fading medial osteotomies 419

Bilateral high-low-high lateral osteotomies 292

Bilateral inferior turbinate

– outfractures 385, 415

Bilateral inferior turbinate submucosal radiofrequency reductions 307

Bilateral lateral crural batten graft 45

Bilateral lateral crural flip 310

Bilateral lateral crural overlay 335

Bilateral lateral crural strut grafts 258, 303

Bilateral lateral medial osteotomies 437

Bilateral lateral osteotomies 235, 278, 342

Bilateral marginal incisions 436, 444

Bilateral medial and lateral osteotomies 257

Bilateral medial crural overlay 335

Bilateral medial crural resection 398

Bilateral medial osteotomies 359, 389, 437

Bilateral microperforating intranasal lateral osteotomies 307, 415

Bilateral middle osteotomies 235

Bilateral mucoperichondrial flaps, elevation of 210, 295

Bilateral mucoperichondrial flaps 130, 143, 201, 214, 248, 437, 445

Bilateral nasal valve collapse 203, 466

Bilateral osteotomies 148, 235

Bilateral premaxillary graft placement, intranasal 138

Bilateral rim grafts 130, 143, 437, 445

Bilateral scroll sutures 324

Bilateral septal flaps 323, 375

Bilateral single dome sutures 481

Bilateral spreader graft, placement of 243, 296

Bilateral spreader graft 151, 205, 217, 230, 235, 303, 311, 330, 335, 359, 398, 415, 430, 481

Bilateral submucosal elevation 306

Bilateral thin spreader graft placement 262

Bilateral tip bossae 158

Bilateral transdomal sutures 95

Bilateral underlay articulating rim cartilage grafts 380

Bilateral upper lateral cartilage collapse 304

Bilateral vestibular mucosa elevation 335, 480

Bilateral Weir incisions 248

Bilaterally, retracted posterior columella 245

Bitterness 6

Bivalve caudal septal extension graft 126

Blade scalpel **107**

Blepharoplasty 7

Blink: The Power of Thinking Without Thinking (Gladwell) 2

Blocking graft 307

Blunt dissection 143, 248

Blunted nasolabial angle, as minor deformity 399

Blunted nasolabial angle 116

Bolsters 210

Bony and cartilaginous dorsal hump 434

Bony and cartilaginous profile reduction 262

Bony dorsal convexity, excision of 106

Bony dorsum, rasping 315, 457, 485

Bony dorsum 358, 376, 452, 477

Bony hump

– excision 342, 402

– rasping 147, 307, 436

– reduction 409, **410**

Bony irregularity 445

Bony rocker point 283

Bony septum 214, 379

Bony-cartilaginous hump, as minor deformity 272

Bony-cartilaginous hump 109

- Bossae 199  
 – bilateral tip 158  
 – intermediate 160  
 – nasal tip **87**, 199  
 – severe 186  
 – tip 158  
 Boxy tip, as minor deformity 153, 373  
 Bressler, Fred J. **131**, **251**, **369**  
 Brissett, Anthony **131**, **251**, **369**  
 Broad dorsum 336  
 Broad tip, as major deformity 321  
 Broad tip 100, 178, 313, 407, 454  
 Brow-dome lines (BDLs) 483  
 Brow-tip aesthetic line 93, 114, 237  
 Bruised cartilage 148, 267  
 Buckled area of left medial crura 134  
 Buckled tip cartilage 174  
 Bulbous dome 274  
 Bulbous lower lateral cartilages 275  
 Bulbous tip 123, 131, 135, 162, 215  
 – as major deformity 219, 224, 227, 233, 237, 241, 245, 251, 255, 260  
 – as minor deformity 149, 382, 390  
 – correcting 237  
 – reduction of 162  
 Butterfly grafts 88
- C**
- Calvert, Jay **325**, **428**  
 Cap graft, technique 44  
 Cap graft 198, 205, 206, 410  
 Careful open of rhinoplasty approach 197  
 Cartilage  
 – 6th rib 444  
 – alar 167  
 – allograft costal 449  
 – asymmetric lower lateral 398  
 – asymmetric tip 176  
 – asymmetry of 434  
 – auricular 197  
 – auricular, graft 466  
 – autologous septal 449  
 – bilateral costal 297  
 – bilateral underlay articulating rim 380  
 – bilateral upper lateral 304  
 – bruised 148, 267  
 – buckled tip 174  
 – bulbous lower lateral 275  
 – cartilaginous septal 257  
 – carved, graft 405  
 – cephalically oriented lower lateral 149  
 – collapsed left upper lateral 412  
 – conchal 121, 169, 170, 237, 240  
 – costal 129, 297, 440–441  
 – crushed 258  
 – crushed auricular 189  
 – diced 130, 143, 148, 248, 327, 430, 477  
 – domal 176  
 – dome 258  
 – dorsal 173, 355, 423  
 – dorsal onlay graft septal 258  
 – gel 214, 376  
 – irradiated 481  
 – lateral crural steal alar 244  
 – lower lateral 74, 133, 137, 143, 262, 359, 372, 375, 476  
 – morselized 236, 244, 271, 279  
 – morselized septal 324, 380, 441, 445  
 – posterior 392  
 – prior diced 137

 Tongue-in-groove fashion **473**  
 Tongue-in-groove setback, technique **58**  
 Tongue-in-groove setback **227, 287, 292, 334, 367, 380, 410, 441**  
 Tongue-in-groove suturing **296, 485**  
 Tongue-in-groove technique, CSEG with **398**  
 Tongue-in-groove technique **214, 286, 437, 445**  
 Toriumi, Dean **293**  
 Traditional rhinoplasty **72**  
 Training sutures **63**  
 Transcartilaginous incisions **106**  
 Transcolumella **253**  
 Transcolumellar and infracartilaginous incisions **448**  
 Transcolumellar and marginal incisions **129**  
 Transcolumellar incision **86, 102, 137, 143, 460**  
 Transcolumellar incisions **362, 384**  
 – closure of **138, 156, 263**  
 – open approach via **315**  
 Transcolumellar inverted-V incision **436, 444**  
 Transcutaneous K-wire **473**  
 Transdomal suture **52, 121, 130, 143, 148, 169, 188, 248, 267, 282, 311, 320, 405, 437, 445**  
 Trans-domal tension graft **385**  
 Transfixion incision **254**  
 Trapezoid shaped soft triangle tension graft **449**  
 Trapezoidal cap graft **176**  
 – carving **177**  
 – holding **177**  
 – placement **177**  
 Triamcinolone **77**  
 Truncated columellar strut graft **292**  
 Truswell, William H. **162, 237, 424**  
 Turbinate reduction **372**  
 Turbinoplasty **147**  
 Turn-in flap technique **198**  
 Twisted tip, as minor deformity **482**
- U**  
 ULC, see Upper lateral cartilage  
 Ultraviolet (UV) radiation **74**  
 Undavia, Samir S. **332, 478**  
 Underprojected lip **304**  
 Underprojected tip **119, 123, 140**  
 – as major deformity **127, 135**  
 – as minor deformity **140, 158, 174, 237, 245, 280, 458**  
 Under-rotated tip, as minor deformity **174, 308, 377**  
 Under-rotated tip **109**  
 Unilateral lateral osteotomy **433**

- Unilateral rocker point 193
  - Unitip deformity 186
  - Unused cartilage morselized and replaced in intraseptal space 254
  - Upper and lower lateral cartilages 74
  - Upper lateral cartilage (ULC) 118, 134, 251, 362, 366, 372, 376, 379–380, 384–385, 437, 441, 445, 448–449, 481
    - collapsed left 412
    - detached from cartilaginous septum 134
    - division of 295
    - preoperative concavity of 348
    - reapproximating 316
    - release of 226
    - resuspension of 118
    - rotation of 348
    - separated from the septum 253
    - separation of 347, 414
  - suturing 348, 419
  - trimmed along caudal edge 372
  - Upper lip position 116
  - UV radiation, *see* Ultraviolet radiation
- V**
- Valsalva maneuver 142
  - Vertical excision of lateral crus **19**
  - Vestibular lining 134
  - Vestibular mucosa 372
  - Vestibular skin 99, 214, 257
    - caudal septal 485
    - excision 287
    - medial crura and 210
  - Vestibular tissue
    - dissection 267
    - lateral cartilage release from 148
  - Vestibulitis 412
  - Vicryl 202
  - Vomer 414
  - Vranis, Neil **360, 382, 446, 450**
  - V-shaped columellar incision 372
- W**
- Wang, Tom D. **431**
  - Weiss, Sean E. **96, 317**
  - Wide ala 245, 255
  - Wide ala with excess flare 245
  - Wide alar cartilages 276
  - Wide, asymmetric nasal bones 127
  - Wide bulbous nasal tip 127
  - Wide dorsum 131, 237, 255
    - as major deformity 454
    - as minor deformity 237, 241, 407
    - with osteocartilaginous hump 241
  - Wide flattened dorsum 276
  - Wide middle third 344
  - Wide nasal base 349, 377
  - Wide nasal bones 352, 399
  - Wide nasal tip 149
  - Wide rhinion 349
  - Wide tip
    - as major deformity 264, 268, 272, 276, 280
    - as minor deformity 116, 182, 199, 352, 416
  - Widened nasal bones 369
  - Williams, Edwin F. **104, 284**
  - Wright suture **51**
- Y**
- Yoo, Donald **127, 140, 245**
