<b>Videos</b> .....	xxxiii
<b>Foreword</b> .....	xxxv
<b>Preface</b> .....	xxxvii
<b>Contributors</b> .....	xxxix
<b>1 Sinonasal Development and Anatomy</b> .....	1
<i>Sarah K. Wise, Richard R. Orlandi, and John M. DelGaudio</i>	
<b>1.1 Sinonasal Development</b> .....	1
1.1.1 Nasal Cavity Development .....	1
1.1.2 Sinonasal Mucosa and Olfactory Development .....	2
1.1.3 Ethmoid Sinuses .....	2
1.1.4 Maxillary Sinus .....	2
1.1.5 Sphenoid Sinus .....	3
1.1.6 Frontal Sinus .....	4
1.1.7 Clinical Implications of Paranasal Sinus Development .....	5
<b>1.2 Sinonasal Anatomy</b> .....	6
1.2.1 Introduction .....	6
1.2.2 Ethmoid Sinus .....	6
1.2.3 Maxillary Sinus .....	16
1.2.4 Frontal Sinus .....	17
1.2.5 Sphenoid Sinus .....	20
<b>1.3 Differences in Sinonasal Structure Across Various Populations</b> .....	21
<b>1.4 Conclusion</b> .....	22
<b>References</b> .....	22
<b>2 Radiologic Imaging of the Paranasal Sinuses and Skull Base</b> .....	25
<i>Deepak M. Sampathu, Igor Mikityansky, and Laurie A. Loevner</i>	
<b>2.1 Anatomy</b> .....	25
<b>2.2 Imaging Sinonasal Disease: The Radiologist's Arsenal</b> .....	26
2.2.1 Plain Radiographs .....	26
2.2.2 Computed Tomography .....	27
2.2.3 Magnetic Resonance Imaging .....	27
<b>2.3 Imaging Disease Processes of the Paranasal Sinuses</b> .....	27
2.3.1 Inflammatory Disease/Sinusitis .....	27
<b>2.4 Developmental Lesions</b> .....	32
<b>2.5 Sinonasal Neoplasms</b> .....	32
2.5.1 Malignant Neoplasms .....	34
2.5.2 Patterns of Tumor Spread .....	36
<b>2.6 Image Analysis of Sinonasal Neoplasms</b> .....	37
2.6.1 Differentiating Secretions and Inflammatory Changes from a Tumor .....	38
2.6.2 Bone Destruction .....	40
2.6.3 Skull Base Invasion .....	41
2.6.4 Perineural Spread .....	43
2.6.5 Orbital Invasion .....	43
2.6.6 Intracranial and Dural Invasion .....	44
<b>2.7 Metastases</b> .....	46
2.7.1 Lymphatic Drainage and Nodal Metastases .....	46
2.7.2 Distant Metastases .....	46
2.7.3 Imaging Following Treatment .....	46
2.7.4 Tumor Recurrence versus Treatment Change .....	46
2.7.5 Functional Imaging in the Treated Patient .....	46
<b>2.8 Complications of Treatment</b> .....	46
2.8.1 Radiation Necrosis .....	46
2.8.2 Cranial Neuropathies .....	48
2.8.3 Radiation-Induced Neoplasms .....	48
<b>2.9 Conclusion</b> .....	48
<b>References</b> .....	49

<b>3</b>	<b>Physiology of the Nose and Paranasal Sinuses</b> .....	53		
	<i>Robert J. Lee and Noam A. Cohen</i>			
<b>3.1</b>	<b>Introduction</b> .....	53	<b>3.4</b>	<b>Sinonasal Cilia and the Pathology of Genetic and Acquired Cilia Dysfunction</b> .....
<b>3.2</b>	<b>The Nose and Paranasal Sinuses: Protective Gateway to the Respiratory Tract</b> .....	53	3.4.1	Structure and Function of Respiratory Motile Cilia .....
3.2.1	The Nose .....	53	3.4.2	Regulation of Ciliary Beating .....
3.2.2	The Turbinates .....	53	3.4.3	Coordination of Motile Cilia and Regulation of Mucociliary Transport.....
3.2.3	The Nasal Cycle.....	54	3.4.4	Patterns of Sinonasal Mucociliary Clearance. ...
3.2.4	Sneezing.....	55	3.4.5	Genetic Ciliary Dysfunction.....
<b>3.3</b>	<b>Structure and Function of the Sinonasal Mucosa and Its Role in Sinonasal Defense</b> ..	56	3.4.6	Acquired Ciliary Dysfunction.....
3.3.1	Mucociliary Clearance and the Structure of the Respiratory Mucosa .....	56	<b>3.5</b>	<b>Conclusion</b> .....
3.3.2	Sinonasal Mucus and Mucus Production .....	61		<b>References</b> .....
3.3.3	The Role of Antimicrobials in Sinonasal Mucus and Innate Immunity.....	62		
<b>4</b>	<b>Objective Measures of Nasal Function</b> .....	73		
	<i>Tripti Brar, Rohit Divekar, John F. Pallanch, and Devyani Lal</i>			
<b>4.1</b>	<b>Introduction</b> .....	73	4.7.1	Sleep-Disordered Breathing.....
<b>4.2</b>	<b>Indications for Objective Nasal Airway Testing (ONAT)</b> .....	73	4.7.2	Nasal Challenge Testing in Allergic Rhinitis .....
<b>4.3</b>	<b>Diagnostic Workup of the Symptoms of Nasal Obstruction</b> .....	73	4.7.3	Assessing the Effect of Medical and Surgical Therapy and Candidacy for Surgery .....
4.3.1	History and Examination .....	73	4.7.4	Nasal Obstruction Diagnosis .....
<b>4.4</b>	<b>Methods in Objective Evaluation of the Nasal Airway</b> .....	74	4.7.5	Nasal Obstruction: Selection of Surgical Approach.....
<b>4.5</b>	<b>Variables Affecting ONAT</b> .....	74	4.7.6	Evaluation of Persistent Nasal Obstruction after Surgery.....
<b>4.6</b>	<b>Practical Steps: Technique, Reporting, and Source of Variability in ONAT</b> .....	74	<b>4.8</b>	<b>Pitfalls in Objective Nasal Airway Testing</b> .....
4.6.1	Rhinomanometry.....	74	4.8.1	The Airway Being Tested is Variable.....
4.6.2	Acoustic Rhinometry.....	76	4.8.2	Population Data for Normal and Abnormal Results Have an Area of Overlap .....
4.6.3	Comparison of Acoustic Rhinometry and Rhinomanometry .....	77	4.8.3	Questions Exist Regarding the Correlation between Airway Test Results and Patients' Symptoms.....
4.6.4	Peak Nasal Airflow.....	77	4.8.4	The Degree of Obstruction Found on ONAT Does Not Always Match the Degree of a Patients' Breathing Comfort.....
4.6.5	Computed Tomography Scanning for Airway Analysis and Computational Fluid Dynamics.....	77	4.8.5	System-Based Obstacles to Utilization of ONAT.....
4.6.6	Other Methods of Objective Assessment of the Nasal Airway.....	79	<b>4.9</b>	<b>Conclusions</b> .....
<b>4.7</b>	<b>Clinical Applications of Objective Nasal Airway Testing</b> .....	79		<b>References</b> .....

<b>5</b>	<b>Olfaction and Taste</b> .....				84
	<i>Zara M. Patel</i>				
<b>5.1</b>	<b>Introduction</b> .....	84	<b>5.5.9</b>	Oral Zinc .....	90
<b>5.2</b>	<b>Olfaction</b> .....	84	<b>5.5.10</b>	Alpha-Lipoic Acid .....	91
<b>5.2.1</b>	Epidemiology and Anatomy .....	84	<b>5.5.11</b>	Vitamin A Derivatives .....	91
<b>5.3</b>	<b>Clinical Olfactory Disorders</b> .....	86	<b>5.6</b>	<b>Taste</b> .....	91
<b>5.3.1</b>	Conductive Olfactory Disorders .....	86	<b>5.7</b>	<b>Epidemiology and Anatomy</b> .....	91
<b>5.3.2</b>	Sensorineural Olfactory Disorders .....	86	<b>5.7.1</b>	Epidemiology .....	91
<b>5.3.3</b>	Neurodegenerative Disorders .....	87	<b>5.7.2</b>	Anatomy .....	91
<b>5.4</b>	<b>Diagnostic Workup</b> .....	88	<b>5.8</b>	<b>Pathophysiology</b> .....	91
<b>5.4.1</b>	History and Physical .....	88	<b>5.8.1</b>	Taste Disorders .....	91
<b>5.5</b>	<b>Treatment</b> .....	88	<b>5.8.2</b>	Iatrogenic .....	91
<b>5.5.1</b>	Patient Counseling .....	88	<b>5.8.3</b>	Burning Mouth Syndrome .....	91
<b>5.5.2</b>	Olfactory Training .....	89	<b>5.8.4</b>	Chronic Disease and Deficiencies .....	91
<b>5.5.3</b>	Topical and Systemic Steroids .....	89	<b>5.8.5</b>	Loss of Smell .....	92
<b>5.5.4</b>	Endoscopic Sinus Surgery .....	89	<b>5.9</b>	<b>Diagnostic Workup</b> .....	92
<b>5.5.5</b>	Investigational Treatments for Olfactory Dysfunction .....	90	<b>5.10</b>	<b>Treatment</b> .....	92
<b>5.5.6</b>	Omega-3 .....	90	<b>5.11</b>	<b>Conclusions</b> .....	92
<b>5.5.7</b>	Platelet-Rich Plasma .....	90		<b>References</b> .....	92
<b>5.5.8</b>	Theophylline .....	90			
<b>6</b>	<b>Allergic Rhinitis</b> .....				95
	<i>Christopher R. Roxbury and Sandra Y. Lin</i>				
<b>6.1</b>	<b>Introduction</b> .....	95	<b>6.5</b>	<b>Diagnostic Workup</b> .....	97
<b>6.2</b>	<b>Epidemiology</b> .....	95	<b>6.6</b>	<b>Treatment</b> .....	97
<b>6.3</b>	<b>Pathophysiology</b> .....	95	<b>6.6.1</b>	Allergen Avoidance .....	97
<b>6.4</b>	<b>Clinical Presentation</b> .....	96	<b>6.6.2</b>	Pharmacotherapy .....	97
<b>6.4.1</b>	The Atopic March .....	96	<b>6.7</b>	<b>Outcomes</b> .....	98
<b>6.4.2</b>	Classification of Allergic Rhinitis .....	96	<b>6.8</b>	<b>Conclusion</b> .....	100
<b>6.4.3</b>	Allergy Phenotyping and Endotyping .....	96		<b>References</b> .....	100
<b>6.4.4</b>	History .....	96			
<b>6.4.5</b>	Physical Examination .....	97			
<b>6.4.6</b>	Differential Diagnosis .....	97			
<b>7</b>	<b>Nonallergic Rhinitis</b> .....				102
	<i>Amber U. Luong</i>				
<b>7.1</b>	<b>Introduction</b> .....	102	<b>7.4</b>	<b>Clinical Presentation</b> .....	102
<b>7.2</b>	<b>Epidemiology</b> .....	102	<b>7.4.1</b>	History .....	102
<b>7.3</b>	<b>Pathophysiology</b> .....	102	<b>7.4.2</b>	Differential Diagnosis .....	104
			<b>7.5</b>	<b>Diagnostic Workup</b> .....	104

## Contents

7.5.1	Examination .....	104	<b>7.7</b>	<b>Outcomes</b> .....	107
7.5.2	Investigation .....	105	<b>7.8</b>	<b>Conclusion</b> .....	107
<b>7.6</b>	<b>Treatment</b> .....	105		<b>References</b> .....	108
7.6.1	Special Considerations .....	106			
7.6.2	Surgery .....	107			
<b>8</b>	<b>Principles of Allergy Skin Testing and Immunotherapy</b> .....	109			
	<i>Daniel L. Hamilos</i>				
<b>8.1</b>	<b>Overview of Diagnostic Allergy Testing</b> ....	109	8.7.3	Approach #3: Revised Otolaryngic Allergist Approach: Prick Skin Testing Followed by Single IDT then IDT to Establish Initial Therapy Dose .....	116
<b>8.2</b>	<b>The Immunologic Basis for Allergic Responses</b> .....	109	8.7.4	Approach #4: "Blended Skin Testing Technique" .....	117
<b>8.3</b>	<b>Allergy Skin Testing Procedures and Devices</b>	111	8.7.5	Implications of Different Skin Testing Methods .....	117
<b>8.4</b>	<b>Multiplex-Specific IgE Assays</b> .....	111	<b>8.8</b>	<b>Allergen Immunotherapy</b> .....	118
8.4.1	Factors That Increase or Decrease Allergy Skin Testing Responses .....	111	8.8.1	What is Allergen Immunotherapy? .....	118
8.4.2	Allergen Extract Preparations for Skin Testing and Immunotherapy .....	112	8.8.2	How Does Allergen Immunotherapy Work? ....	118
8.4.3	Prick Testing .....	112	8.8.3	Usual Method of Administration of Subcutaneous Allergen Immunotherapy (SCIT) .....	119
8.4.4	Multiheaded Skin Testing Device Testing .....	112	8.8.4	What are the Indications for Immunotherapy? .....	119
8.4.5	Intradermal (Intracutaneous) Single Dilution Skin Testing .....	113	8.8.5	Allergens for Subcutaneous Immunotherapy ...	119
8.4.6	Intradermal Dilutional Testing (IDT) .....	113	8.8.6	Clinically Relevant Cross-Reacting Allergens ...	120
8.4.7	Differences in Results from ID Skin Testing and IDT Procedures .....	113	8.8.7	Preparation and Administration of Subcutaneous Immunotherapy (SCIT) .....	120
8.4.8	In Vitro Specific IgE Testing .....	114	<b>8.9</b>	<b>Outcomes of Immunotherapy</b> .....	120
8.4.9	Component Resolved Diagnostic Testing .....	114	8.9.1	Immunotherapy Based on Rinkel Method .....	121
<b>8.5</b>	<b>Sensitivity and Specificity of Prick and Intradermal Testing Procedures</b> .....	114	8.9.2	IDT-Based Immunotherapy .....	121
<b>8.6</b>	<b>Local Allergic Rhinitis (LAR) and Local Respiratory Allergy</b> .....	116	8.9.3	Conventional Immunotherapy .....	121
<b>8.7</b>	<b>Allergy Testing in the Allergist's and Otolaryngologist's Office</b> .....	116	8.9.4	Managing Patients on SCIT in Relationship to Vaccine Administration .....	122
8.7.1	Approach #1: Skin Endpoint Titration/Intradermal Dilutional Testing .....	116	<b>8.10</b>	<b>Sublingual IT (SLIT) and Use of SLIT in Current Practice in the US</b> .....	122
8.7.2	Approach #2: Prick Skin Testing Followed by Single IDT .....	116	8.10.1	How to Manage Polysensitized Allergic Patients .....	122
				<b>References</b> .....	122
<b>9</b>	<b>Unified Airway and Lower Respiratory Diseases</b> .....	126			
	<i>Paavali A. Hannikainen and Elina M. Toskala</i>				
<b>9.1</b>	<b>Introduction</b> .....	126	9.2.3	Asthma .....	127
<b>9.2</b>	<b>Epidemiology</b> .....	126	<b>9.3</b>	<b>Pathophysiology</b> .....	128
9.2.1	Rhinitis and Asthma .....	126	9.3.1	Loss of Nasal Protection .....	128
9.2.2	Chronic Rhinosinusitis and Asthma .....	127	9.3.2	Aspiration of Nasal Contents .....	128

9.3.3	Nasobronchial Reflex .....	128	9.5.2	Physical Examination and Diagnostic Testing .....	130
9.3.4	Shared Immunity .....	128			
<b>9.4</b>	<b>Clinical Presentation .....</b>	<b>129</b>	<b>9.6</b>	<b>Treatment .....</b>	<b>131</b>
9.4.1	Rhinitis .....	129	9.6.1	Allergic Rhinitis and Asthma .....	131
9.4.2	Chronic Rhinosinusitis .....	129	9.6.2	Chronic Rhinosinusitis and Asthma .....	132
9.4.3	Asthma .....	129			
<b>9.5</b>	<b>Diagnostic Workup .....</b>	<b>130</b>	<b>9.7</b>	<b>Conclusion .....</b>	<b>132</b>
9.5.1	History .....	130		<b>References .....</b>	<b>133</b>
<b>10</b>	<b>Viral Rhinitis .....</b>	<b>135</b>			
	<i>Henrique Ochoa Scussiatto, Fuad M. Baroody, Jayant M. Pinto, and Robert Naclerio</i>				
<b>10.1</b>	<b>Introduction .....</b>	<b>135</b>	10.6.4	Corticosteroids .....	143
<b>10.2</b>	<b>Viruses .....</b>	<b>135</b>	10.6.5	Other Pharmacotherapies (Over the Counter) .....	143
