| Einleitung | XXV |

Arzneimittel

| | | | |
|--------------------------------|----|--------------------------------------|----|
| Abies canadensis | 3 | Ammoniacum gummi | 17 |
| Abies nigra | 3 | Ammonium benzoicum | 18 |
| Abroma augusta | 3 | Ammonium bromatum | 18 |
| Abrotanum | 3 | Ammonium carbonicum | 18 |
| Absinthium | 4 | Ammonium causticum | 19 |
| Acalypha indica | 4 | Ammonium iodatum | 19 |
| Aceticum acidum | 4 | Ammonium muriaticum | 19 |
| Aconitum napellus | 5 | Amygdalae amarae aqua | 19 |
| Actaea spicata | 9 | Amylenum nitrosum | 20 |
| Adonis vernalis | 9 | Anacardium occidentale | 20 |
| Adrenalinum | 10 | Anacardium orientale | 20 |
| Aesculus glabra | 10 | Anagallis arvensis | 20 |
| Aesculus hippocastanum | 10 | Anantherum muricatum | 21 |
| Aethiops mineralis | 10 | Angustura vera | 21 |
| Aethusa cynapium | 11 | Anhalonium lewinii | 21 |
| Agaricus muscarius | 11 | Anthemis nobilis | 21 |
| Agave americana | 12 | Anthracinum | 21 |
| Agnus castus | 12 | Anthrakokali | 22 |
| Agraphis nutans | 12 | Antimonium arsenicosum | 22 |
| Ailanthus glandulosa | 13 | Antimonium crudum | 22 |
| Aletris farinosa | 13 | Antimonium iodatum | 23 |
| Alfalfa | 13 | Antimonium natrum lacticum | 23 |
| Allium cepa | 13 | Antimonium sulphuratum auratum | 23 |
| Allium sativum | 14 | Antimonium tartaricum | 23 |
| Aloe socotrina | 14 | Antipyrinum | 24 |
| Alstonia scholaris | 15 | Aphis chenopodii glauci | 25 |
| Alumen | 15 | Apis mellifica | 25 |
| Alumina | 15 | Apisinum | 27 |
| Alumina silicata | 16 | Apocynum cannabinum | 27 |
| Ambra grisea | 17 | Apomorphinum hydrochloricum | 27 |
| Ambrosia artemisiaefolia | 17 | Aralia racemosa | 27 |
| Ammi visnaga | 17 | Aranea diadema | 27 |

| | | | |
|-----------------------------------|----|------------------------------------|----|
| Aranea ixobola..... | 28 | Beryllium metallicum..... | 55 |
| Argentum iodatum..... | 28 | Betonica aquatica..... | 55 |
| Argentum metallicum..... | 28 | Bismuthum subnitricum..... | 56 |
| Argentum nitricum..... | 28 | Blatta orientalis..... | 56 |
| Aristolochia clematidis..... | 30 | Boldo..... | 56 |
| Arnica montana..... | 30 | Borax veneta..... | 56 |
| Arsenicum album..... | 32 | Bothrops lanceolatus..... | 57 |
| Arsenicum hydrogenisatum..... | 38 | Bovista lycoperdon..... | 57 |
| Arsenicum iodatum..... | 38 | Bromium..... | 58 |
| Arsenicum metallicum..... | 38 | Bryonia alba..... | 58 |
| Arsenicum sulphuratum flavum..... | 39 | Bufo rana..... | 61 |
| Artemisia vulgaris..... | 39 | Buthus australis..... | 61 |
| Arum dracontium..... | 39 | Butyricum acidum..... | 61 |
| Arum dracunculus..... | 39 | | |
| Arum italicum..... | 39 | Cactus grandiflorus..... | 63 |
| Arum maculatum..... | 39 | Cadmium iodatum..... | 63 |
| Arum triphyllum..... | 40 | Cadmium sulphuratum..... | 64 |
| Arundo mauritanica..... | 40 | Cainca (Cahinca)..... | 64 |
| Asa foetida..... | 40 | Caladium seguinum..... | 64 |
| Asarum europaeum..... | 41 | Calcarea acetica..... | 64 |
| Asclepias cornuti..... | 41 | Calcarea arsenicosa..... | 65 |
| Asclepias tuberosa..... | 41 | Calcarea carbonica Hahnemanni..... | 65 |
| Asparagus officinalis..... | 41 | Calcarea fluorica..... | 68 |
| Astacus fluviatilis..... | 42 | Calcarea hypophosphorosa..... | 69 |
| Asterias rubens..... | 42 | Calcarea iodata..... | 69 |
| Atropinum..... | 42 | Calcarea phosphorica..... | 70 |
| Aurum iodatum..... | 42 | Calcarea silicata..... | 71 |
| Aurum metallicum..... | 43 | Calcarea sulphurica..... | 71 |
| Aurum muriaticum..... | 44 | Calendula officinalis..... | 72 |
| Aurum muriaticum natronatum..... | 44 | Calotropis gigantea..... | 72 |
| Avena sativa..... | 44 | Camphora..... | 72 |
| | | Cannabis indica..... | 73 |
| Bacillinum Burnett..... | 45 | Cannabis sativa..... | 73 |
| Bacillus Bach (Paterson)..... | 45 | Cantharis..... | 73 |
| Bacillus dysenteria..... | 45 | Capsicum annuum..... | 75 |
| Badiaga..... | 46 | Carbo animalis..... | 75 |
| Baptisia tinctoria..... | 46 | Carbo vegetabilis..... | 76 |
| Baryta acetica..... | 47 | Carbolicum acidum..... | 78 |
| Baryta carbonica..... | 47 | Carboneum sulphuratum..... | 78 |
| Baryta iodata..... | 48 | Carcinosinum..... | 78 |
| Baryta muriatica..... | 49 | Carcinosinum adeno. stom..... | 80 |
| Belladonna..... | 49 | Carcinosinum „Bowel Co.“..... | 80 |
| Bellis perennis..... | 53 | Carduus marianus..... | 81 |
| Benzinum dinitricum..... | 54 | Cascarilla..... | 81 |
| Benzoicum acidum..... | 54 | Castanea vesca..... | 81 |
| Berberis aquifolium..... | 54 | Castor equi..... | 81 |
| Berberis vulgaris..... | 54 | Castoreum..... | 82 |

| | | | |
|---|-----|--|-----|
| Caulophyllum thalictroides..... | 82 | Corallium rubrum..... | 101 |
| Causticum..... | 82 | Cornus circinata..... | 101 |
| Ceanothus americanus..... | 84 | Cortisonum..... | 101 |
| Cedron..... | 84 | Corydalis cava..... | 101 |
| Cenchrus contortrix..... | 84 | Cotyledon umbilicus..... | 101 |
| Cerium oxalicum..... | 85 | Crataegus oxyacantha et monogyna..... | 101 |
| Chamomilla..... | 85 | Crocus sativus..... | 102 |
| Chelidonium majus..... | 86 | Crotalus cascavella..... | 102 |
| Chenopodium anthelminticum..... | 87 | Crotalus horridus..... | 103 |
| Chimaphila umbellata..... | 87 | Croton tiglium..... | 103 |
