<b>1 Background Information on Stroke— Incidence, Risks, Survival Rates and Chances, Causes, and Related Disorders . . .</b>	<b>1</b>	<b>3 Acute Therapy of Stroke . . . . .</b>	<b>25</b>
<i>Marcus Pohl and Jan Mehrholz</i>		<i>Ralf Schlosser</i>	
<b>Definition . . . . .</b>	<b>1</b>	<b>Therapy of Ischemic Stroke . . . . .</b>	<b>25</b>
<b>Incidence and Distribution . . . . .</b>	<b>4</b>	General Information . . . . .	25
Incidence of Stroke . . . . .	4	In the Emergency Department . . . . .	26
Prevalence of Stroke . . . . .	4	Special Diagnostics . . . . .	27
Survival . . . . .	4	Therapy . . . . .	29
<b>Risks and Causes . . . . .</b>	<b>5</b>	Specific Therapy . . . . .	33
Nonmodifiable Risk Factors . . . . .	5	Therapy of Complications . . . . .	38
Modifiable Risk Factors . . . . .	5	Special Cases . . . . .	40
<b>Disorders and Their Consequences . . . . .</b>	<b>7</b>	Outlook . . . . .	41
<b>Motor Convalescence and Rehabilitation Following Stroke . . . . .</b>	<b>8</b>	Summary . . . . .	41
<b>Course of Illness Following Stroke . . . . .</b>	<b>9</b>	<b>Therapy of Hemorrhagic Stroke . . . . .</b>	<b>42</b>
Prognosis . . . . .	9	Intracerebral or Parenchymatous Hemorrhage . . . . .	42
Everyday Competence and Ability to Walk Following Stroke . . . . .	12	Subarachnoid Hemorrhage . . . . .	45
Quality of Life Following Stroke . . . . .	15	Summary . . . . .	47
<b>Summary . . . . .</b>	<b>16</b>	<b>4 Early Mobilization: Opportunity or Risk? . . . . .</b>	<b>48</b>
<b>2 Emergency and Acute Preclinical Management of Stroke . . . . .</b>	<b>17</b>	<i>Jan Mehrholz</i>
