- calamus (*Calamae rhizoma*) 44  
anorexia 167, 168  
dosage 353–354  
dyspeptic syndrome 177  
gastrointestinal conditions 172, 188, 192  
wounds 278–279
- Calendulae flos see marigold
- California poppy see poppy, California
- camphene 104
- camphor 112, 114
- camphor tree (*Cinnamomi camphorae aetheroleum*) 45, 148  
arthritis 234  
bronchitis 155, 157  
coronary artery disease 134  
dosage 354–355  
febrile infections 246  
cancer 229–230
- capsaicin 273, 274
- capsaicinoids 47
- Capsici fructus* see cayenne; paprika, Spanish
- caraway (*Carvi aetheroleum/fructus*) 45–46  
biliary disease 184  
constipation 197, 198  
dosage 355–356  
dyspeptic syndrome 174–175, 176, 177, 178  
flatulence 183, 198  
oil 45–46  
pediatric gastrointestinal conditions 252, 254  
seeds 46

- cardiac glycosides 33  
 lily-of-the-valley 86  
 red squill 110, 111
- Cardiospermi herba  
 see balloonvine
- cardiovascular disease  
 132–147  
 arnica wraps 290  
 rosemary whole-body wash 291
- Cardui mariae herba  
 see thistle, milk
- carene 104, 105
- carminatives 174–175, 251
- carotenoids 8, 47  
 marigold 90  
 nasturtium 96
- carvacrol 120
- Carvi aetheroleum see caraway
- Carvi fructus see caraway
- carvone 46
- $\beta$ -caryophyllene 49
- Caryophylli flos see clove
- catarrh, smoker's 163–164
- cayenne (Capsici fructus)  
 46–47, 273–274  
 dosage 356–357
- cedar, Northern white  
 see thuja
- centaury, lesser (Centaurii herba) 84–85  
 anorexia 166, 167, 253  
 diseases of mouth/throat 161, 164  
 dosage 402–403
- Cepae bulbosus see onion bulb
- Cetrariae lichen see Iceland moss
- chamazulene 48, 131
- chamomile (Matricariae flos) 47–48  
 biliary disease 185  
 dermatological disease 261, 262, 265–266  
 diseases of mouth/throat 161, 162, 163, 247–248  
 dosage 357–360  
 febrile infections 245, 246  
 gastrointestinal conditions 170, 171, 188, 192, 198  
 pediatric 252  
 hot wrap 300  
 hydrotherapy 288–289  
 proctitis 187  
 rhinitis 148
- sleep disorders 210  
 wounds 276–277
- chaste tree (Agni casti fructus) 48–49, 237–238  
 dosage 360–361
