

Index

Page numbers in *italics* refer to illustrations

A

- abscess 53, 142, 144
- acupuncture 84, 85
- aggressive behavior 224
- allergy 59, 110, 212, 214
- amorphous tongue 190, 191
 - therapy 190–191
- arteries 22, 31–32
- ash-gray coating 71–72, 71–72, 150–152,
151, 153
 - therapy 150–153
- asthma 188, 222

B

- back pain 134, 156, 178, 180, 198, 200,
216, 222, 224
 - changes during course of disease
234–235, 235
 - headache and 250, 264, 266, 268
- black coating 7–8, 71–72, 71–72,
150–152, 151, 153
 - and missing coating 178–181, 179, 181
 - changes during course of disease
234–235, 235, 238–239, 239
 - therapy 150–153, 178–181
- bladder diseases 48
- blood stagnation 53–54, 73, 96, 160
- blue-greenish tongue 53, 53, 94, 95
 - therapy 94–95
- bronchial asthma 188, 222
- bronchiectasis 144, 210
- bronchitis 128, 156
- bronchopneumonia 94, 142
- brownish coating 70, 70, 238–239, 239

C

- cerebral hemorrhage 64, 65, 128, 130,
150, 238–239
- cholelithiasis 126
- chondroglossus muscle 20
- chorda tympani 23
- chronic fatigue syndrome 134
- circumvallated papillae 19
- cirrhosis of the liver 206, 208, 230
- cluster headache 248
- coating of tongue 68–80
 - changes in 7–8
 - color 68–72
 - ash-gray coating 71–72, 71–72,
150–153, 151, 153
 - black coating 7–8, 71–72, 71–72,
150–153, 151, 153, 234–235, 235,
238–239, 239
 - brown coating 70, 70, 238–239, 239
 - white coating 68–69, 68–69,
140–145, 141, 143, 145, 198–199,
199, 226–227, 227
 - yellow coating 7, 70, 70, 146–149,
147, 149, 218–219, 219, 238–239,
239
- consistency
 - dry coating 75, 75, 162–165, 163,
165
 - empty patches (“map” tongue) 77,
77, 170–175, 171, 173, 175, 192,
193
 - loose coating 76, 76, 166–167, 167
 - missing (absent) coating 78, 78,
176–183, 177, 179, 181, 183,
186–187, 187
 - moist coating 74, 74, 158–159, 159

- sticky coating 76, 76, 168–169, 169,
 216–217, 217, 222–227, 223, 225,
 227
 thick coating 8, 73, 73, 156–157,
 157, 216–217, 217, 224–225, 225
 thin coating 73, 73, 154–155, 155,
 222–223, 223
 course of disease and 79–80
 back pain 234
 hemiplegia after cerebral hemor-
 rhage 238–239
 hepatitis 230
 color of tongue 50–54
 blue-greenish tongue 53, 53, 94–95, 95
 changes in 5–7
 light, white tongue 50, 50, 86–87, 87
 normal color 50, 50
 purple tongue 54, 54, 94–97, 95, 97,
 160, 161
 red tongue 51, 51, 88–91, 89, 91,
 224–225, 225
 dark red tongue 52, 52, 92–93, 93,
 108–109, 109, 212–215, 213, 215
 missing coating and 186–187, 187
 see also coating of tongue
 common cold 68, 140
 conical papillae 19
 conjunctivitis 214
 consistency of tongue 63–67
 hard, stiff tongue 64, 64, 126–130, 127,
 129
 restless, protruding tongue 67,
 138–139
 shortened or shrunken tongue 66, 66,
 134–137, 135, 137
 slanting or oblique tongue 7, 65, 65,
 130–131, 131
 trembling tongue 67, 132–133
 weak, frail tongue 63, 63, 124–125
 see also coating of tongue
 constipation 152, 156
 cough 188, 210, 254
 creases, multiple 220–223, 221, 223
 headache and 242, 243, 260–263, 261,
 263
 see also fissured tongue
 cystopyelitis 78, 176, 224
- D**
- dark red tongue 52, 52, 92, 93
 fissured tongue 212–215, 213, 215
 therapy 92–93, 108–109, 212–215
 thin, small, dark red tongue 108–109,
 109
 depression 126, 222, 224, 236, 256
 diabetes 58, 108
 diagnosis 81
 see also tongue diagnosis
 diarrhea 256
 diverticulitis 78, 176
 drug addiction 52, 92
 dry coating 75, 75, 162–164, 163, 165
 therapy 162–165
 dry tongue 6
 red tongue and 188–189, 189
 therapy 188–189
- E**
- edges of the tongue *see* margins of the
 tongue
 Einstein, Albert 8–10
 embryology 26–27, 43
 empty patches on the tongue 77, 77,
 170–174, 171, 173, 175
 therapy 170–175
 epileptic seizure 67, 138
 exhaustion 60, 112, 134, 190, 216, 232

F

- facial nerve 24
- fibromyalgia 190
- filiform papillae 19
- fissured tongue 6, 59, 59, 110, 111, 212, 213
 - dark red 212–215, 213, 215
 - headache and 264, 265
 - therapy 110–111, 212–215
 - watery 160–161, 161
- floor of the mouth 26
- foliate papillae 19
- fungiform papillae 19, 114

G

- gallbladder diseases 48
- gallstones 126
- genioglossus muscle 20
- glossopharyngeal nerve 23, 24, 38
- granular papillae 114–123, 115, 117, 119, 121, 123
 - therapy 114–123
- granular tongue 6, 61–62, 61–62, 114–115, 115
 - edges of the tongue 118, 119
 - middle of the tongue 120, 121
 - therapy 114–123
 - tip of the tongue 116, 117, 122, 123
- gray coating 262, 263, 266–268, 267, 269
 - see also ash-gray coating
- greenish tongue 53, 53, 94–95, 95
- gustatory pathways 24, 41

H

- hard, stiff tongue 64, 64, 126–130, 127, 129
 - therapy 126–129
- headache 128, 198, 226
 - cluster headache 248
 - therapy 241–269
 - tongue differentiation 241–269
- heart 13
 - diseases 48, 66, 92
- heart vessel 13, 14, 15
- hemarthrosis 53, 94
- hemiplegia 130, 238–239
- hemorrhoids 200
- hepatitis 59, 90, 110, 144, 182, 206, 226
 - changes during course of disease 230–233, 230–233
- herpes zoster 192
- high blood pressure see hypertension
- hyoglossus muscle 20
- hypermenorrhea 236–237
- hypertension 58, 68, 108, 126, 200, 226
 - headache and 258
- hypoglossal nerve 24, 40

I

- indigestion 156, 166, 198
- influenza 68, 140
- insomnia 128, 192, 194, 196, 204, 218, 224
 - headache and 244, 252, 254, 256, 260, 264, 268
 - thin, small tongue 58, 106, 108
 - wrinkled, rough tongue 55, 98
- intermediate nerve 23, 37
- intestinal diseases 48
- irritability 192, 198, 258

- J**
- jaundice 230
- K**
- kidney diseases 48
- kidney vessel 13, 14, 17
- L**
- lentiform papillae 19
- light, white tongue 50, 50, 86, 87
therapy 86–87
- lingual glands 25
- lingual papillae 19, 28, 29
granular papillae 114–123
- liver diseases 48, 208, 226
cirrhosis 206, 208, 230
- liver vessel 14, 18
- longitudinal muscle
inferior 21
superior 20
- loose coating 76, 76, 166, 167
therapy 166–167
- lumbago 250
- lung diseases 48
- lung vessel 14
- lupus erythematosus 63, 124, 190
- lymphatic vessels 23, 34–35
- M**
- mandibular nerve 23, 37
- “map” tongue 77, 77, 170–174, 171, 173,
175, 192, 193
therapy 170–175
- margins of the tongue 206–211, 207, 209,
211, 224–225, 225
granular papillae 118, 119
- metromenorrhagie 236–237
- migraine 266
- missing (absent) coating 78, 78, 176, 177
and black coating 178–181, 179, 181
and white coating 182–183, 183
headache and 244, 245
therapy 176–183, 186–187
with red tongue body 186–187, 187
- moist coating 74, 74, 158, 159
therapy 158–159
- muscles 20–21, 27, 30
physiological effect of 21–22
- myoma 236
- N**
- nausea 214
- nerves 23–24, 27, 36–40
- nervousness 192, 196, 236, 268
thin, small tongue 58, 106
wrinkled, rough tongue 55, 98
- night sweats 204, 236, 264
- nycturia 208
- O**
- obesity 168
- oblique tongue 65, 65, 130, 131
therapy 130–131
- old tongue 55, 55

P

pain

- hypochondriac 208
- knee 262
- perception of 24
- stomach 266
- see also* back pain

palpitations 106, 204, 256, 260, 264

papillae *see* lingual papillae

parotid gland 25

pericardium vessel 13, 14

premature ejaculation 268
